Dear Ms. Anderson,

We are interested in providing transportation supplies for Bovina I.S.D. during the 2017/2018 school year. Our services include gasoline, diesel and wholesale lubricant deliveries as well as any tire and battery needs.

We can deliver unleaded gasoline and diesel to your storage for .09 (9 cents) above our current cost at delivery date. Wholesale lubricants can also be provided at 20% (20 percent) off our current wholesale price sheet. Tire and battery service is available if the need exists.
