Assessment of Current Situation

Bovina Middle School

Comprehensive Needs Assessment

To assess where our students are in relation to our Vision, Mission and BMS board approved goals. The SBDM team reviewed all available data to identify BMS strengths and to prioritize BMS areas of concern. Formal review includes data from the following:

- Results of community and parent surveys
- Disaggregation of multi-year TAPR Academic Excellence Indicator System
- Results of benchmark assessments
- Prior year budgets/entitlements and expenditures
- Staff and student development needs surveys
- Student retention rates

Informal measures include the following:

- Needs identified through campus faculty meetings carried forward to SBDM meetings.
- Review of previous year's initiatives to determine overall effectiveness and implementation level and to consider continued development/modifications and necessary continued funding.
- Staff e-mails to district level personnel
- Review of the district level personnel

Review of the district's vision and discussion at the district level regarding current information/research-based strategies that will help us to attain the vision.

Prioritized Strengths Bovina Middle School

The BMS review led us to the following discoveries regarding campus strengths and areas of concern. These areas become the major focus of the Bovina MS campus improvement plan (CIP). BMS strengths and areas of concern are expressed in the following:

Strengths	Data Source
Staff, students and community feel the school is a safe and secure place for students to learn	Surveys and feedback
Teachers and students feel comfortable and welcome to visit with administration	Surveys; parent and teacher feedback
Caring, committed teaching staff	Parent and student surveys; principal evaluation and observation
Tutorials	Student performance records; student retention record; STAAR test results
Teacher use of effective instructional practices and teacher commitment to learning	Staff development records, principal reports, information gathered through meetings with teachers and principal
Commitment of staff and community members to effective district planning	Participation in planning sessions by all stakeholders of the SBDM team
Use of technology for administrative procedures and for instructional support as a learning tool	Student performance records, teacher feedback, principal reports; research-based methodologies
Efforts to build collaboration; seeking professional growth opportunities; quality research-based material	Alignment of all subjects to TEKS objectives; student performance records

Reading initiatives

Student performance records; student retention records; STAAR test results

Prioritized Areas of Concern

Areas of Concern	Data Source
Close the achievement gap with special emphasis on math and science	Student performance records, multi-year TAPR data
Involvement and commitment of parents and community members to the school process and the school administration	Increase attendance at school activities, parent surveys, increased communications with BISD parents, sign-in sheets at activities
Increase problem-solving objectives and evaluation of reasonableness of a solution	STAAR, RPTE, benchmark tests, teacher provided data, TAPR charts
Increase learning opportunities for LEP/ESL students to perform successfully on all state-mandated assessments	Longitudinal student performance data, STAAR scores
Increase lab and hands-on activities for all students in math and science classes	TAPR reports, student feedback, report cards, benchmark tests, STAAR and TEKS objectives
Continue support of teachers through specialized training in TEKS and STAAR; ensuring that the needs of all students are met and that progress continues toward 90% mastery of all state standards for all students	TAPR data which indicates continuous improvement for all student populations reflected in longitudinal studies
Increase reading mastery and mastery in all content areas for ALL Students, in particular for special populations, learning disabled students and LEP students	Longitudinal student performance data
Increase more intensive opportunities for identified at-risk students via Extended Day opportunities in Spring semester, morning tutorials, one-on-one instruction, summer school and STAAR tutorials	Disaggregated student performance data, IEP of Special Ed students
Continue the upgrading and integration of technology, for both administrative and instructional use	Campus objectives and lesson plans

BOVINA MIDDLE SCHOOL

LONG RANGE GOALS

Long Range Goal #1

Bovina Middle School will increase all students' academic performance to higher levels of achievement. Performance levels will meet or exceed local, state, and national standards and expectations while also improving social skills.

Long Range Goal #2

The teachers and faculty of Bovina Middle School along with our parents and community members will be active partners in the education and support of every student.

Long Range Goal #3

Bovina Middle School will have a safe and orderly environment that promotes learning to the highest degree possible.

Promoting reading literacy will include:

- Emphasis on vocabulary
- Incentives/Rewards Super Reader's Club with potential of award purchases and a substantial prize drawing at the end of the year

- Reading remediation after school program for struggling readers (i.e. LEP, ESL, Dyslexia, slow reader)
- AR Reading Program
- Star evaluation within AR Program (set a minimum reading level for each reader)
- School wide book reading project (interdisciplinary unit)

Bovina Middle School
Semester Exam Exemption Policy

1. Students eligible for an exemption are those in grades 6 through 8.

1. The student must meet the following criteria in each class in which an exemption is granted:
 - a. GPA of 70 or above with 0 absences
 - b. GPA of 76 or above with 1 absence
 - c. GPA of 82 or above with 2 absences
 - d. GPA of 88 or above with 3 absences
 - e. GPA of 95 or above with 4 absences

2. Students in grades 6 and 7 may not be exempt from more than 3 exams.

3. Students in grade 8 may be exempt from all semester exams.

Extracurricular/school sponsored absences do not count against the student nor do medical absences in which a student was in school for part of a day and had a documented medical appointment.

Attendance Codes:

A – Absent Excused

U – Absent Unexcused

T – Tardy

R – Religious

I – In School Suspension

M – Medical

E - Extracurricular

Bovina Middle School is committed to providing a quality education and facilitating a lifelong learning process where every student is a successful learner through family support for students, awareness of social values, academics, and strengthening of family dynamics through a positive link between school and home. Bovina Middle School will involve parents in all required aspects of Title I as well as other grant programs requiring parental involvement.

Policy Development

An advisory committee consisting of parents, members of the community, teachers, and principals will meet to develop our school district's Parent Involvement Policy. Our Advisory Committee will be chosen from volunteers from each campus in our district after appropriate publicity about the need for volunteers. We will meet in an open forum to compose and design an implementation process for the district parent involvement policy. This open forum will take place during a regularly scheduled District Site Based meeting held at a convenient time for all parties involved.

Title I

Bovina Middle School is classified as a School Wide Title I program (meaning the student population is more than 40% eligible for the free and/or reduced lunch program) for the 2012-2014 school year. The primary function of the Title I program is to improve the basic educational program. Due to Bovina Middle School being School Wide, this program can serve all the students on the Middle School Campus. Title I Law requires that:

- School districts have a written Parental Involvement Policy
- Parents be involved in the design, operation and evaluation of Title I
- Parents be consulted about school activities and be trained on how to help their children
- Whenever possible, activities should be presented in the language spoken at home

Parents of students attending any of the Title I schools have the right to know the professional qualifications of the teachers in their child's classroom(s). In addition to qualifications, parents also have the right under NCLB to request the following:

- Teacher's state qualifications and licensing criteria for the grades and subject he/she teaches
- The status of the teacher's certificate
- The teacher's college major, whether the teacher has an advanced degree, and the field of their certification or degree
- The qualifications of paraprofessionals serving your student

The Title I program is designed to build school and family relationships supporting a partnership to improve student academic achievement in:

- Knowledge of content standards and student achievement standards established by the State of Texas

- Knowledge of the process for monitoring student progress
- Professional Development for campus staff regarding how to reach out to, communicate with, and work with families as equal partners, including the value of families and how to implement and coordinate family programs by offering opportunities to be involved in school events
- Providing user and language friendly format to ensure the information related to the educational process is presented clearly and uniformly

Examples of Title I communications are listed below:

- School-Parent Compact
- Newsletter
- Website (English and Spanish)
- Parent Portal
- Marquee
- Progress reports
- Fall Parent Conferences
- Spring/Fall Parent Meetings
- Highly Qualified status notification
- NCLB report cards

PARENT COMPACTS

Bovina Middle School will develop a school-parent compact (agreement) with the parents of the students participating in the program. This compact will be reviewed and revised annually. Contents of the compact will include information about how students, parents/guardians, and staff will share responsibility for promoting student achievement. Compacts encourage students, parents/guardians, and school personnel to collaborate toward impacting student achievement in a positive way.

Parental Involvement Opportunities

There are many ways in which parents can become involved with their children's education. Bovina Middle School values both the at-home contributions and those which take place at the school and in the community. Many types of parental involvement activities are needed in a school-home-community partnership that will

help all our students to succeed. Parents may contribute through volunteer programs and create a positive and supportive home atmosphere. Some examples of opportunities for parent and community involvement include but are not limited to:

- Migrant/Title I meetings
- District Site Based Committee
- Campus Site Based Committee
- Parent Conferences
- Field Trips
- Awards Assemblies and Grade level Programs
- Honors and Sports Banquets
- Phone communications
- Band Programs
- Booster Clubs

STAFF/PARENT COMMUNICATION

Communication with parents will include a Title 1 newsletter distributed four times each year. There will be notices, online resources for students and parents, phone calls, conferences, and home visits as needed. Teachers and parents are encouraged to communicate about their student's performance. They may also call the school office and ask for a conference. Communication will be available in English and Spanish.

EVALUATION

An evaluation of the Title I program will be conducted annually and will include questions pertaining to the effectiveness of the program. The results of this survey will be compiled and used in the evaluation of the Title I program during the district's and campuses' Needs Assessments in the spring of each year. The District Site Based Committee will meet in the spring to review the Title I program and evaluate, revise and renew the School-Parent Compact, Parent Involvement Policy, and Title I program.

Date: June 6, 2014

District Name: BOVINA INDEPENDENT SCHOOL DISTRICT

Long Range Goal #1: Bovina Middle School will increase all students' academic performance to higher levels of achievement. Performance levels will meet or exceed local, state, and national standards and expectations while also improving social skills.

Annual Performance Objective: Improve overall STAAR test performance by 10% on the Spring 2016 test compared to the STAAR test in Spring 2015.
